

Reviewers for Academy of Finland's September 2021 call

- Academy Project funding
- Academy Research Fellow
- Postdoctoral Researcher
- Clinical Researcher

Data retrieved from the Academy's information systems

A total of 718 reviewers participated in the review of applications submitted in the September 2021 call. The reviewers are listed by Academy research council.

The Research Council for Biosciences, Health and the Environment enlisted a total of 212 reviewers.

- Research professor, Abiven Samuel, Ecole Normal Superieure Paris
- Professor, Acharya Ganesh, Karolinska Institutet
- Professor and Head of Research, Impact and Innovation., Allen Davina, Cardiff University
- Professor, McGill University, Allison Paul, McGill University
- Professor, Andrade Susana, University of Freiburg
- Head of Applied Computational Genomics, Anisimova Maria, Zurich University of Applied Sciences ZHAW
- Max Planck Research Group Leader, Aplin Lucy, Max Planck Institute
- Professor of Cellular Reprogramming, Armstrong Lyle, University of Newcastle
- Associate Professor, Arnold Susanne, Radboud University Medical Center Nijmegen
- Associate Professor in Motor Control, Astill Sarah, University of Leeds
- Professor of Marine Ecology, Attrill Martin, University of Plymouth
- Professor and Director, Augustin Hellmut, Heidelberg University and German Cancer Research Center
- Head of Centre for Cardiovascular Science University of Edinburgh, Baker Andy, University of Edinburgh
- Full Professor/Head Dept, Baptista Pedro, Universidade NOVA de Lisboa
- Professor of Evolutionary Biology, Barraclough Timothy, University of Oxford
- Full professor, Baudry Stéphane, Université libre de Bruxelles
- Full Professor, Bebianno Maria, Centre for Marine and Environmental Research of the University of Algarve
- Reader / Associate Professor, Bell Jordana, King's College London
- PhD, Benschop Kimberley, National Institute for Public Health and the Environment
- Professor, Bere Elling, University of Agder
- Chief Innovation Officer, Bettiga Maurizio, Italbiotec Srl
- Prof., Birch Karen, University of Leeds
- Profesor Contratado Doctor, Blanco Juan A., Universidad Publica de Navarra

- Professor, Bloor Karen, University of York
- FRNS Research Director, Borges Alberto, University of Liège
- Associate Professor, Borin Sara, University of Milan
- Senior Researcher, Brauch Hiltrud, Dr. Margarete Fischer-Bosch - Institute of Clinical Pharmacology
- Associate Professor, Bredahl Thomas, University of Southern Denmark
- Group leader, Broccoli Vania, San Raffaele Scientific Institute
- Associate Professor, Bronowska Agnieszka, Newcastle University
- Professor of Neurology, Brooks David, University of Aarhus
- Professor, Brown Steven, University of Zurich
- Associate Professor, Burke Ian, University of Leeds
- Professor, Burlando Paolo, ETH Zürich
- University Lecturer, Butler Francis, University College Dublin
- Professor, Böttcher Bettina, Julius Maximilian Universität Würzburg
- Professor, Cabreiro Filipe, University of Köln
- Full Professor, Calabresi Laura, Università degli Studi di Milano
- professor, Calfapietra Carlo, Institute of Terrestrial Ecosystems of CNR
- Full Professor, Unit Head, Cecconi Francesco, Danish Cancer Society
- Sr. Scientist and Professor, Chierici Melissa, Institute of Marine Research
- Professor of Neurology, Christensen Hanne, Copenhagen University Hospital
- Proferssor, Christoffersen Kirsten Seestern, Københavns Universitet
- Full Professor, Chuva de Sousa Lopes Susana, Leiden University Medical Center
- Professor of Psychopharmacology, Cowen Philip, University of Oxford
- Head, Jamea and Lillian Martin Centre for Stem Cell Research, Cowley Sally, University of Oxford
- Associate Professor, Crump Colin, Cambridge University
- Professor, Cullinan Paul, Imperial College London
- Professor of Vascular Physiology, Curtis Tim, Queen's University of Belfast
- Prof, Dantuma Nico, Karolinska Institutet
- Professor, De Palma Michele, EPFL (Swiss Federal Institute of Technology in Lausanne)
- Senior Clinical Lecturer & Honorary Consultant Orthopaedic Trauma Surgeon, Duckworth Andrew, University of Edinburgh
- Associate Professor, Edwards Claire, University of Oxford
- Professori, Edwards Christine, University of Glasgow
- Research scientist, Evans Chris, UK Centre for Ecology and Hydrology
- Prof., Faergeman Nils, University of Southern Denmark
- Group Leader. IKERBASQUE Research Professor, Falcón-Pérez Juan, CIC bioGUNE
- Director of Research, Feil Robert, Centre National de Recherche Scientifique (CNRS)
- Dr., Fernandez de Luco Reini, Institute of Human Genetics CNRS,
- Associate Professor, Fitzpatrick John, Stockholms universitet - SU
- Clinical Chair in Anaesthesia, Forget Patrice, University of Aberdeen
- Professor of Surgery, Chair in Endocrine Surgery, Frilling Andrea, Imperial College London
- Professor, Fu Jingyuan, University Medical Center Groningen
- Professor, Galloway Tamara, University of Exeter
- Wellcome Trust Clinical Research Fellow, Ghorani Ehsan, Imperial College London
- Medical head, prof, Giannakopoulos Panteleimon, University Hospitals of Geneva
- Professor, Gill Jennifer, University of East Anglia
- Associate Professor, Groen Thomas, University of Twente

- Professor, Grundy Emily, University of Essex
- Reader, Hadfield Jarrod, University of Edinburgh
- Assoziierter Professor, Hahn Andreas, Medical University of Vienna
- Professor, Hauser Marie-Theres, University of Natural Resources and Life Sciences
- Adjunct professor, Hedman Håkan, Umeå universitet
- Prof. Dr. habil. (tenured, full), Hein Sebastian, University of Applied Forest Sciences Rottenburg
- Investigador Científico, Herrero Miguel, Institute of Food Science Research (CIAL, CSIC)
- Research Director, Heuertz Myriam, French National Institute for Agriculture, Food and Environment (INRAE)
- Prof., Heymann Michael, University of Stuttgart
- Director, UCL Institute of Cardiovascular Science, Hingorani Aroon, University College London
- Staff member Radboudumc Plastic Surgery, Hovius Steven, Radboud University Medical Centre
- Professor of Epidemiology and Medical Statistics, Howe Laura, University of Bristol
- Professor, Husebye Eystein, Universitetet i Bergen - UiB
- Professor - Head of dept, Huylebroeck Danny, Erasmus University Medical Center Rotterdam - Dept. Cell Biology
- Professor, Jackson David, University of Oxford
- professor, Janssens Ivan, University of Antwerp
- Professor, Jespersen Lene, Københavns Universitet
- Professor, Jones Lesley, Cardiff University
- Professor, Jovanovic Andersen Zorana, University College Copenhagen
- Professor of Translational Cancer Immunology and Immunotherapy, Karagiannis Sophia N, King's College London
- Docent i medicinsk etik, Kihlbom Ulrik, Uppsala universitet
- Professor, Kinman Gail, Birkbeck University of London
- Research fellow, Kis Anna, Research Centre for Natural Sciences, Hungary
- profesor, Korzeniowska Malgorzata, Wroclaw University of Environmental and Life Sciences
- Research Director, Krieger-Liszkay Anja, CNRS, University Paris-Saclay
- Professor, Kurtz Joachim, University of Muenster, Institute for Evolution and Biodiversity
- Prof of Rheumatology, Kyburz Diego, University Hospital of Basel, Switzerland
- Professor, överläkare, Kämpe Olle (Olof), Karolinska Institutet
- Professor, Köhling Rüdiger, University of Rostock
- head of systems medicine, Legido Quigley Cristina, STENO DIABETES CENTER A/S & King's College London
- Universitätsprofessor, Lepperdinger Günter, University Salzburg
- Assistant Professor, Lim Youn-Hee, Københavns Universitet
- Group Leader, Liston Adrian, Babraham Institute
- Associate Professor, Lorenzen Eline, University of Copenhagen
- Professor, Lukac Martin, University of Reading
- Associated Professor, Lund-Hansen Lars Chresten, Aarhus University
- Profesor Agregado, Lupiáñez Villanueva Francisco, Universitat Oberta de Catalunya
- Professor, Luysaert Sebastiaan, Vrije Universiteit Amsterdam
- Professor, Macdonald Ian A, University of Nottingham Medical School,
- Director of Research Laboratory, Maestro Roberta, CRO Aviano National Cancer Institute
- Senior Group Leader, Malliri Angeliki, Cancer Research UK Manchester Institute, University of Manchester
- University Professor, Mannion Russell, University of Birmingham

- Docent-Senior Scientist, Mapelli Valeria, Chalmers University of Technology
- Tutkija, Mark Felix, Alfred Wegener Institute
- Principal Investigator, Marques Alexandra, University of Minho, 3B's Research Group
- Chair in Social Entomology, Salford University, UK, Martin Stephen, University of Salford
- Research Director, MATSA REVEKA, Hellenic Pasteur Institute
- Professor, Medendorp Pieter, Radboud University Nijmegen
- Professeure ordinaire, Mohler-Kuo Meichun, University of Applied Sciences and Arts, Western Switzerland (HES-SO)
- Associate Professor, Moran Colin, University of Stirling
- Professor, Müller Christoph, Justus Liebig University Giessen
- Associate professor, Måren Inger, Universitetet i Bergen - UiB
- Professor, Møller Eva Friis, Aarhus University
- Professor, Ness Ottar, Norges Teknisk- naturvitenskapelige universitet - NTNU
- Assoc. Prof. and Senior Research Fellow, Neyer Gerda, Stockholms universitet - SU
- Professor of Anaesthesiology and Intensive Care, Nielsen Niklas, Lunds universitet
- Professor, Niinemets Ülo, Department of Plant Physiology, Estonian University of Life Sciences
- Professor, Nisbet Andrew, University College London
- Associate Professor, Northstone Kate, University of Bristol
- Researcher, Oliva Jonàs, University of Lleida
- Director, Department of Infection and Immunity, Luxembourg Institute of Health, Ollert Markus, Luxembourg Institute of Health (LIH)
- Reader in Biomechanics, Pain Matthew, Loughborough University,
- Professor, Paraoan Luminita, Edge Hill University
- Professor, Pasterkamp Gerard, Utrecht University
- Professeur, Pavoine Sandrine, French National Museum of Natural History
- Professor of Sport, Health and Exercise, Pike Elizabeth, University of Hertfordshire
- Professor, Head of Department, Pociot Flemming, Steno Diabetes Center Copenhagen,
- Prof Dr, Podobnik Marjetka, National Institute of Chemistry
- Associate Professor, Poirel Laurent, University of Fribourg
- Professor, Polz Martin, University of Vienna
- associated Professor, Ponchel Frederique, University of Leeds
- Associate Professor Developmental BioEngineering, Post Janine, University of Twente
- Førsteamanuensis, Prestløyken Egil, Norwegian University of Life Sciences
- Professor of Veterinary Anatomic Pathology, Priestnall Simon, The Royal Veterinary College
- Permanent Researcher, Pujol Benoit, CNRS Centre National de la Recherche Scientifique
- DOE/Professor, Punt Peter, Leiden University & GinkgoBioworks
- Professor, Purton Saul, University College London
- Professor, Quandt Dietmar, University of Bonn
- Research Fellow, Richmond Rebecca, University of Bristol
- Research Group Leader, Rodriguez-Muela Natalia, German Center for Neurodegenerative Diseases (DZNE)
- Full Professor, Romagnani Paola, Yksittäinen tutkija
- Professor, Ronquist Fredrik, Swedish Museum of Natural History
- Professor i markmikrobiologi, Rousk Johannes, Lunds universitet
- Professor of Medicinal Chemistry, Russell Angela, University of Oxford
- Principal Investigator, Russinova Eugenia, VIB-UGent
- INSERM researcher, Samieri Cecilia, University of Bordeaux

- W3 Professor für Klinische Epidemiologie, Scherag André, Jena University Hospital – Friedrich Schiller University Jena
- Ryhmänjohtaja, Scherberich Arnaud, University of Basel
- Director of Department, Schloter Michael, Helmholtz Zentrum Muenchen
- Professor, Schranz Eric, Wageningen University
- Reserach group leader, Schruppf Marion, Max Planck Institute
- Director of Department, Schulze-Lefert Paul, Max Planck Institute for Plant Breeding Research
- Professor of Clinical Psychology, Schwannauer Matthias, The University of Edinburgh
- Associate Professor, Schwarm Angela, Norwegian University of Life Sciences
- Professor, Selivanova Galina, Karolinska Institutet
- Institutsdirektor, Sendtner Michael, University of Wurzburg
- Professor, lab head, Sernagor Evelyne, Newcastle University, Biosciences Institute
- Senior Lecturer, Sheiner Lilach, univeristy of Glasgow
- Senior Lecturer, Shuker David, University of St Andrews
- Prof., Sitia Roberto, Università Vita-Salute San Raffaele and Ospedale San Raffaele IRCCs
- Personal Professor, Smidt Hauke, Wageningen University & Research
- Associate Professor, Sponseller Ryan, Umeå universitet
- Associate Professor, Stefan Christopher, University College London
- Remote Sensing Scientist, Suárez Juan C., Forest Research
- Professor, Sällberg Chen Margaret, Karolinska Institutet
- Professor, Sørensen Grith Lykke, Syddansk Universitet - SDU
- Dr, Taylor Maureen, Imperial College, Department of Life Sciences
- Associate Professor of Natural Resource Informatics, Tóth Sándor, University of Washington, Seattle
- Research Professor at Spanish Research Council, Traveset Anna, SPANISH RESEARCH COUNCIL, CSIC
- Research Group Leader/ Deputy Director, Ussar Siegfried, Helmholtz Center Munich
- Senior Researcher, Van hede Dorien, University of Liège
- Prof., van Mechelen Willem, Amsterdam UMC
- Professor, Vaquerizas Juan, MRC London Institute of Medical Sciences
- Associate Professor, Verbesselt Jan, Wageningen University
- prof. of Molecular Toxicology VU University, Vermeulen Nico P.E., VU University Amsterdam / Vrije Universiteit Amsterdam
- Professor, Virchow J. Christian, Abteilung fuer Pneumologie, Klinik und Poliklinik für Innere Medizin
- Group leader, Vitale Nicolas, CNRS
- Deputy Head of Institute, Walter Berger, Medical University Vienna
- Professor, Watts Colin, University of Birmingham
- Henry Dale Fellow, Weinert Lucy, Cambridge University
- Prof., Weissenhorn Winfried, Institut de Biologie Structurale,,Institut de Biologie Structurale,
- University Lecturer, Welch John, Cambridge University
- Professor, Welsh Michael, Uppsala University
- Professor, Whittingham Mark J., Newcastle University
- Professor, Wicker Pamela, Bielefeld University
- Head, Molecular Immunology Laboratory, Institut Jules Bordet, Willard-Gallo Karen, Institut Jules Bordet
- Lead for Training and Education, Williams Bethany, Leeds Teaching Hospitals NHS Trust

- Professor for Genetics, Winkler Thomas, Friedrich-Alexander University Erlangen-Nürnberg
- Senior Lecturer in Biomechanics, Winter Samantha, Loughborough University
- Professor, Woetmann Anders, Københavns Universitet
- Professor of Bioethics, Woods Simon, Newcastle University UK
- Assistant Professor, Xu Amy, Louisiana State University
- Head of laboratory, Zanier Elisa, Mario Negri Institute for Pharamalogical Research
- Professor, Östman Arne, Karolinska Institutet

The Research Council for Culture and Society enlisted a total of 166 reviewers.

- Senior Research Fellow, Aboim Sofia, University of Lisbon
- Professor, Admiraal Wilfried, Leiden University
- Professor, Ahlqvist Toni, Turun yliopisto
- Professor, Amilhat Szary Anne-Laure, Grenoble Alpes University
- Professor, Arvaniti Amalia, Radboud University
- Professor, Atkinson Sarah, King's College London
- Professor, Benesch Klaus, LMU, University of Munich
- Associate Professor, Berkofsky Axel, University of Pavia
- Senior Vice-Principal, Bhamra Tracy, Royal Holloway, University of London
- Associate Professor, Bindi Letizia, Università degli Studi del Molise
- Professor, Boje Thomas P., Roskilde University
- Senior Lecturer, Booth Josie, University of Edinburgh
- Professor, Bourke Joanna, Birkbeck, University of London
- Professor, Broth Mathias, Linköping University
- Associate Professor, Brown Patrick, University of Amsterdam
- Professor, Brun Cathrine, Oxford Brookes University
- Professor, Burström Mats, Stockholm University
- Professor, Buysse Ann, Ghent University
- Professor, Büthe Tim, Technical University of Munich
- Professor, Carlbring Per, Stockholm University
- Professor, Cenoz Jasone, University of the Basque Country, UPV/EHU
- Associate Professor, Černe Matej, University of Ljubljana
- Professor, Christiansen Peter Munk, University of Aarhus
- Professor, Cromptvoets Joep, KU Leuven
- Professor, Curtis Will, University of Warwick
- Professor, den Brok Perry, Wageningen University and Research
- Professor, Denissen Jaap, Utrecht University
- Professor, Desjardins Xavier, Sorbonne Université
- Associate Professor, Diaz Rodriguez Antonia, University of Carlos III
- Professor, Dillon Justin, University of Exeter
- Professor, Duit Andreas, Stockholm University
- Associate Professor, Dvouléty Ondřej, Prague University of Economics and Business
- Professor, Edele Aileen, Humboldt University
- Professor, Engelen Eva-Maria, Berlin-Brandenburg Academy of Sciences and Humanities
- Professor, Eriksen Anne, University of Oslo
- Professor, Evertsson Marie, Stockholm University

- Professor, Falkheimer Jesper, Lund University
- Professor, Feldtmann Birgit, Aalborg University
- Associate Professor, Firth Alan, Aarhus University
- Director, Frevert Ute, Max Planck Institute
- Reader, Froerer Peggy, Brunel University London
- Professor, Geyer Martin, LMU, University of Munich
- Professor, Gill Rosalind, City, University of London
- Professor, Gimenez Thomsen Cristina, Esade Business School
- Associate Professor, Gómez Ciriano Emilio José, University of Castilla-La Mancha
- Associate Professor, Griffin Michael, Central European University Department of Philosophy
- Professor, Grung Anne Hege, University of Oslo
- Professor, Haftor Darek, Uppsala Universitet
- Professor, Hamarneh Basema, University of Vienna
- Professor, Hammond Laura, SOAS University of London
- Head of Department, Henry Colette, Dundalk Institute of Technology
- Dr., Herbrechter Stefan, Heidelberg University
- Associate Professor, Herrera Anchustegui Ignacio, University of Bergen
- Professor, Hesmondhalgh David, University of Leeds
- Professor, Hess Ursula, Humboldt University
- Professor, Hilson Mary, Aarhus University
- Professor, Hommel Bernhard, TU Dresden
- Professor, Hosli Madeleine, Leiden University
- Professor, Hughes Claire, University of Cambridge
- Professor Emeritus, Ingold Timothy, The University of Aberdeen
- Professor, Jameson Jill, University of Greenwich
- Professor, Jansen Nils, University Münster
- Professor, Jensen Klaus Bruhn, University of Copenhagen
- Professor, Jones Rodney, University of Reading
- Professor, Jornet Gil Alfredo, University of Oslo
- Professor, Jørgensen Anja, Aalborg University
- Professor, Kaiser Gabriele, Universität Hamburg
- Professor, Kerem Katri, Estonian Business School
- Professor, Kjeldgaard-Pedersen Astrid, University of Copenhagen
- Professor, Koelsch Stefan, University of Bergen
- Professor, Kull Irene, University of Tartu
- Professor, Kull Anne, Tarton yliopisto
- Professor, Laukötter Anja, University of Jena
- Professor, Lehmann Annette Jael, Freie Universität Berlin
- Associate Professor, Lepri Valentina, Polish Academy of Sciences
- Professor, Lind Anna-Sara, Uppsala University
- Professor, Lindström Dag, Uppsala Universitet
- Associate Professor, Long Nicholas, London School of Economics and Political Science
- Professor Emeritus, Lund Andreas, University of Oslo
- Professor, Lünenborg Margreth, Free University of Berlin
- Professor, Mantzavinos Chrysostomos, University of Athens
- Associate Professor, Marques da Costa Eduarda, Universidade de Lisboa
- Professor, Martinson Mattias, Uppsala Universitet

- Professor, Mayer Heike, University of Bern
- Professor, Menezes Isabel, University of Porto
- Professor, Molinari Luisa, University of Parma
- Professor, Mood Carina, Stockholm University
- Professor, Murphy Eileen, Queen's University Belfast
- Professor, Muzio Daniel, University of York
- Professor, Nanay Bence, University of Antwerp
- Professor, Oancea Alis, University of Oxford
- Associate Professor, O'Flynn John, Dublin City University
- Professor, Ong David, Nottingham Trent University
- Professor, Osgood Jayne, Middlesex University
- Associate Professor, Pacchi Carolina, Politecnico di Milano
- Professor, Painter Joseph, Durham University
- Professor, Passos Ana, Universidade Europeia
- Professor, Pedaste Margus, University of Tartu
- Professor, Peggs Kay, Kingston University London
- Full Professor, Peljhan Darja, University of Ljubljana
- Professor, Perry-Kessarisa Amanda, University of Kent
- Professor, Pettai Vello, European Centre for Minority Issues
- Professor, Platje Johannes (Joost), WSB University in Wroclaw
- Professor, Pozzo Riccardo, University of Rome Tor Vergata
- Professor, Racsmány Mihály, Budapest University of Technology and Economics
- Full Professor, Raessens Joost, Utrecht University
- Professor, Rakhilina Ekaterina, Higher School of Economics
- Associate Professor, Rezić Iva, University of Zagreb
- Professor, Riddervold Marianne, Norwegian Institute of International Affairs
- Professor, Rink John, University of Cambridge
- Professor, Rosário Pedro, University of Minho
- Professor, Roses Joan, London School of Economics
- Professor, Rossi Lamastra Cristina, Politecnico di Milano
- Professor, Safont Jorda Pilar, Universitat Jaume I
- Professor, Schiemann Frank, University of Hamburg
- Professor, Schiller Niels, Leiden University
- Senior Researcher, Schott Robin May, Danish Institute for International Studies
- Professor, Schröter Jens, Humboldt University Berlin
- Professor, Schwanen Tim, University of Oxford
- Professor, Schütz-Bosbach Simone, LMU Munich
- Associate Professor, Schönwälder-Kuntze Tatjana, Ludwig Maximilians-University Munich
- Professor, Seibel Wolfgang, University of Konstanz
- Professor, Shankar Kalpana, University College Dublin
- Professor, Shaughnessy Nicola, University of Kent
- Professor, Slembrouck Stef, Ghent University
- Professor, Sotarauta Markku, Tampereen yliopisto
- Professor, Soysal Yasemin, WZB, Berlin
- Associate Professor, Steiner Benjamin, LMU Munich
- Professor, Stephan Andreas, Linnaeus University
- Associate Professor, Stevens Kathryn, University of Oxford

- Professor, Stirbu Diana, London Metropolitan University
- Professor, Söntgen Beate, Leuphana University Lüneburg
- Professor, Tamminga Allard, University of Greifswald
- Professor, Trosterud Trond, UiT The Arctic University of Norway
- Professor, Trousdale Graeme, University of Edinburgh
- Professor, Tumasjan Andranik, Johannes Gutenberg University Mainz
- Associate Professor, Ugwu-dike Pamela, University of Southampton
- Professor, van Henten Jan Willem, University of Amsterdam
- Professor, Vendelø Morten Thanning, Copenhagen Business School
- Professor, Venken Machteld, University of Luxembourg
- Professor, Vergauwen Roger, Catholic University of Leuven
- Senior Lecturer, Vicenzotti Vera, Sveriges Lantbruksuniversitet
- Professor, Viires Piret, Tallinn University
- Full Professor, Wagenaar Cor, Groningen University
- Professor, Wakolbinger Tina, Vienna University of Economics and Business
- Professor, Walker Terry, Mid Sweden University
- Professor, Wallace Claire, University of Aberdeen
- Professor, Wals Arjen, University Wageningen
- Professor, Weisethaunet Hans, University of Oslo
- Professor, Wood Elizabeth Ann, University of Sheffield
- Professor, Wood Helen, Lancaster University
- Professor, Wossink Ada, University of Manchester
- Professor, Zabrodskaja Anastassia, Tallinn University
- Full Professor, Ziemba Ewa, University of Economics in Katowice
- Professor, Øverbye (Oeverbye) Einar, Oslo Metropolitan University

The Research Council for Natural Sciences and Engineering enlisted a total of 252 reviewers.

- Dean of School, Akintoye Akintola, Leeds Beckett University
- Investigador Científico, Alfonso Ignacio, Spanish Research Council (CSIC)
- Associate Professor, Alstrøm Tommy, Technical University of Denmark
- Senior Lecturer, Álvarez Mauricio A, University of Sheffield
- Associate Professor, Andersen Shuang Ma, Syddansk Universitet - SDU
- Professor, Auer Alexander, Max Planck Institute für Kohlenforschung
- Professor/Head Dept, Baptista Pedro, Universidade NOVA de Lisboa
- Associate Professor, Bartic Carmen, KU Leuven
- Professor, Batchelor John, University of Kent
- Professor, Baudry Stéphane, Université libre de Bruxelles
- Professor, Beferull-Lozano Baltasar, University of Agder
- Professor, Bernacki Marc, Mines ParisTech
- Reader in Statistics, Beskos Alexandros, University College London
- Professor, Bettinger Pete, University of Georgia
- Professor, Blaschke Thomas, Universität Salzburg
- Professor, Blenkinsop Thomas, Cardiff University
- Chargée de recherche CNRS, Borbon Agnès, cnrs

- Directeur de Recherche 1ere classe CNRS, Boucher Olivier, CNRS
- Director, Professor, Boulard Hervé, Idiap Research Institute & EPFL
- Professor, Braun Torsten, Universität Bern
- Professor, Brem Gerrit, University of Twente
- Professor, Head of Department, Brendler Vinzenz, Helmholtz-Zentrum Dresden-Rossendorf
- Researcher, Breon Francois-Marie, Commissariat à l'Energie Atomique
- Professor, Brida Daniele, University of Luxembourg
- Professor, Bridges John, University of Leicester, Physics and Astronomy
- Professor, Broström Markus, Umeå universitet
- Professor, Brückner-Foit Angelika, Institute for Powertrain Engineering, iaf-mt
- Senior Lecturer, Buckeridge John, London South Bank University
- Director, Burghout Wilco, KTH Royal Institute of Technology
- Professor, Burlando Paolo, ETH Zürich
- Professor, Buydens Lutgarde, Radboud Univesity Nijmegen
- Professor, Caballero Rodrigo, Stockholms universitet - SU
- Associate Professor, Cagnan Hayriye, University of Oxford
- Professor, Calders Toon, University of Antwerp
- Professor, Chen Zhe, aalborg university
- Professor, Chirat Christine, Grenoble INP-Pagora / LGP2
- Reader, Clark Adrian, University of Essex, UK
- Professor, Contaldi Carlo R., Imperial College London
- Research Director, Contini Daniele, Institute of Atmospheric Sciences and Climated, National Research Council
- Professor, Correia Luis M., IST - University of Lisbon
- Professor, Costanzo Alessandra, Università di Bologna
- Professor, Damzen Michael, Imperial College London
- Professor, Davis Jesse, KU Leuven
- Professor, Davis Claire, The University of Warwick
- Professor, De Angelis Costantino, University of Brescia
- Professor, De Bie Tijn, Ghent University
- Professor, de Bruin Bas, University of Amsterdam
- Professor Emeritus, De Roeck Guido, University of Leuven (KU Leuven), Dep Civil Eng
- Professor, De Venuto Daniela, Politecnico di Bari, Italy, Dipartimento di Ingegneria Elettrica e dell'Informazione
- Professor, Di Ciaccio Lucia, Universite Savoie Mont Blanc - LAPP
- Professor, Dotoli Mariagrazia, Politecnico di Bari
- Professor, Doufexi Angela, University of Bristol
- Professor, Droste Manfred, University of Leipzig
- Reader, Dulay Naranker, Imperial College London
- Chair Professor, Duong Trung, Queen's University Belfast
- Professor, Dustdar Schahram, TU Vienna
- Professor, Edström Kristina, Uppsala Universitet,
- Scientist, Egorova Tatiana, PMOD/WRC
- Professor, Eriksson Leif, University of Gothenburg
- Professor, Erlingsson Sigurður, University of Iceland
- Director, Estrela Pedro, University of Bath
- Associate Professor, Evans Nicholas, University of Southampton

- Professor, Evtuyugin Dmitry, University of Aveiro
- CNRS Directeur de Recherche, Ewels Chris, CNRS - Institute of Materials Nantes
- professor, Faccio Daniele, The University Of Glasgow
- Professor, Fadili Jalal, Normandie University-ENSICAEN
- Professor, Falcone Paolo, Chalmers University of Technology
- Professor, Fardim Pedro, KU Leuven
- Head of research unit, Farella Elisabetta, Fondazione Bruno Kessler
- Professor, Fedun Viktor, The University of Sheffield
- Professor, Feldt Robert, Chalmers University of Technology
- Professor, Felli Veronica, University of Milano - Bicocca
- Senior staff scientist, Fendt Christian, Max Planck Institute for Astronomy
- Professor, Fernández Rodríguez Berta, University of Santiago de Compostela
- Professor, Fidlin Alexander, Karlsruhe Institute of Technology
- Professor, Flossmann Andrea, Université Clermont Auvergne
- Professor and Department Chair, Forgoston Eric, Montclair State University
- Principal Researcher, Freire Carmen, University of Aveiro
- Professor, French Paddy, TU Delft
- Professor, Frøkjær Sven, University of Copenhagen
- Professor, Fu Guangtao, University of Exeter
- Professor em, Fuchs Laszlo, KTH
- Professor, Futschik Andreas, Johannes Kepler University
- Senior scientist, Förster Schreiber Natascha M., Max-Planck-Institut fuer extraterrestrische Physik
- Professor, Gadian Alan, University of Leeds, UK
- Professor, Gallagher Martin, The University of Manchester
- Adjunct Professor, Gerber Sandrine, Ecole Polytechnique Fédérale de Lausanne
- Associate professor, Ghorbani Yousef, Luleå University of Technology
- Professor, Gibson Iain, University of Aberdeen
- Professor, Gibson Ian, University of Twente
- Staff scientist, Gillessen Stefan, Max-Planck-Institute for extraterrestrial physics
- Investigador Científico, Giralt Santiago, Geosciences Barcelona (Spanish Research Council)
- Professor, Goodwin Simon, University of Sheffield
- Professor, Guio Patrick, University College London
- Director, Gustafsson Bo, Stockholms universitet - SU
- Professor, Hagelauer Amelie, Technical University of Munich
- Professor, Hanke-Bourgeois Martin, Institut für Mathematik
- Professor, Hardalupas Yannis, Imperial College London
- Professor, Harrison Gareth, The University of Edinburgh
- Professor, He Yang-Hui, Oxford University
- Professor, Heidari Hadi, University of Glasgow
- Professor, Heller Michal P., Ghent University
- Professor, Heskes Tom, Radboud University Nijmegen
- Distinguished Professor, Hewitt Nick, Lancaster University
- Professor, Hicks Stephen, University of Warwick
- Associate Professor, Hodge Jacqueline, Leiden Observatory
- Professor, Humbert Angelika, Alfred Wegener Institute Helmholtz Centre for Polar and Marine Research
- Deputy Director, Hüttmann Gereon, University of Lübeck

- Professor, Ibarra Alejandro, Technical University of Munich
- Professor and institute director, Jacob Timo, Ulm University
- Investigador Científico, Jimenez-Jorquera Cecilia, Consejo Superior de Investigaciones Científicas (CSIC)
- Directeur de Recherche CNRS, Jones Deborah, Centre National de la Recherche Scientifique
- Professor, Jørgensen Jes, Københavns Universitet
- Professor, Keppens Rony, KU Leuven, Centre for mathematical Plasma Astrophysics
- Astrophysicist, Kliem Bernhard, University of Potsdam
- Investigador distinguido, Kohanoff Jorge, Universidad Politecnica de Madrid
- Researcher, Kruijssen Diederik, Heidelberg University
- Professor, Kruusamäe Karl, Tarton yliopisto
- Professor, Kyzas George, Department of Chemistry, International Hellenic University
- Investigador Principal, Labidi Jalel, University of the basque country
- Associate Professor, Lamata Lucas, Universidad de Sevilla
- Professor, Langseth Helge, Norges Teknisk- naturvitenskapelige universitet - NTNU
- Professori, Lee James, University of York
- Head Advanced Processing group, Leinenbach Christian, Empa-Swiss Federal Laboratories for Material Science and Technology
- Professor, Lenoir Bertrand, Université de Lorraine
- Professor, Lesnic Daniel, University of Leeds
- Professor, Li Puma Gianluca, Loughborough University
- Professor, Linnros Jan, Kungliga Tekniska högskolan - KTH
- Professor, Liotta Antonio, Free University of Bolzano
- Ricercatore, Lo Franco Rosario, Università degli Studi di Palermo
- Professor, Lodahl Peter, Københavns Universitet
- Primo Ricercatore INFN, Lombardo Maria Paola, Istituto Nazionale di Fisica Nucleare (INFN)
- Professor, Lorenz Chris, King's College London
- Professor, Lupiáñez Villanueva Francisco, Universitat Oberta de Catalunya
- Professor, Luque Rafael, Universidad de Cordoba
- Professor, Majid Shahn, Queen Mary University of London
- Professor, Mann Ingrid, University of Tromsø Tromssan yliopisto
- Professor, Marinazzo Daniele, Ghent University
- Professor, Marques Miguel, Martin-Luther University of Halle-Wittenberg
- Professor, Martens Wim, University of Bayreuth
- Professor, Martin Gaven, Massey University
- Director, Mazzara Manuel, Innopolis University
- Researcher, Medri Valentina, CNR-ISTEC
- Professor, Merino Pedro, University of Zaragoza
- Professor, Milosevic Milorad, University of Antwerp
- Directeur de Recherche, Minguzzi Anna, Centre National de la Recherche Scientifique
- Professor, Mischi Massimo, Eindhoven University of Technology
- Professor, Mishra Rakesh, University of Huddersfield, UK
- Associate Professor, Munkhammar Joakim, Uppsala universitet
- Technical Officer, Murray Sophie, Dublin Institute for Advanced Studies
- Research Director, Myhre Gunnar, CICERO
- Professor, Noy Marc, Universitat Politècnica de Catalunya (UPC)
- Professor, Oberhammer Joachim, Kungliga Tekniska högskolan - KTH

- Professor, O'Hare Danny, Imperial College London
- Professor, Oliveira Paulo, Instituto Superior Técnico da Universidade de Lisboa
- Professor, Olofsson Thomas, Luleå University of Technology
- Professor, Ordejón Pablo, ICN2
- Professor, Ottevaere Heidi, Vrije Universiteit Brussel,
- Professor, Panoiu Nicolae, University College London
- Professor, Pascau Javier, Universidad Carlos III de Madrid
- Professor, Pavone Francesco, University of Florence
- Professor, Pechenizkiy Mykola, Eindhoven University of Technology
- Pesquisador Titular, Pereira Jorge Vitório, Instituto Nacional de Matemática Pura e Aplicada
- Professor, Pikhurko Oleg, University of Warwick
- Professor, Pollin Sofie, KU Leuven
- Professor, Povia Ana, Instituto Superior Tecnico, University of Lisbon
- Professor, Powell Catherine, University of Manchester
- Professor, Rahier Hubert, Vrije Universiteit Brussel
- Professor, Ran Andre, Vrije Universiteit Amsterdam
- Professor, Ribeiro Ana Mafalda, Faculty of Engineering University of Porto
- Professor, Richards Bryce, Karlsruhe Institute of Technology (KIT)
- Project Scientist, Rudakov Dmitry, University of California, San Diego
- Assistant Professor, Ruggiero Michael T., University of Vermont
- Professor, Rutkowski Anne, Tilburg University
- Professor, Rösler Margit, University of Paderborn
- Professor, Saake Gunter, Otto-von-Guericke Universität
- Adjointe scientifique, Sakai Naomi, University of Geneva
- Professor, Samori Paolo, University of Strasbourg
- CEO and Professor, Savic Dragan, KWR Water Research Institute
- Professor, Scheichl Robert, Heidelberg University
- Professor, Schippers Stefan, Justus-Liebig-Universität Giessen
- Professor, Schlücker Sebastian, University of Duisburg-Essen
- Professor, Shepperd Martin, Brunel University London
- Professor, Silvestre José Dinis, Instituto Superior Técnico, University of Lisbon
- Professor, Singh Krish, Cardiff University
- Scientist, Siqueira Gilberto, Empa - Swiss Federal Laboratories for Materials Science and Technology
- Professor, Siskakis Aristomenis, Aristotle University of Thessaloniki
- Professor, Smith Martin, University of Brighton
- Professor, Sotomayor Torres Clivia Marfa, ICN2 Catalan Institute of Nanoscience and Nanotechnology
- Dirigente di Ricerca, Spiga Sabina, Consiglio Nazionale delle Ricerche (CNR)
- Professor, Stahre Johan, Chalmers University of Technology
- Professori, Steenari Britt-Marie, CHALMERS UNIVERSITY OF TECHNOLOGY
- Professor, Ström Erik, Chalmers University of Technology
- Professor, Sweeney Stephen, University of Surrey
- Professor, Tang Junwang, University College London
- Head of Earth System Dynamics, Tett Simon F.B., University of Edinburgh
- Associate Professor, Tizaoui Chedly, Swansea University
- Associate professor, Tumova Jana, Kungliga Tekniska högskolan - KTH

- Senior Lecturer, Associate professor, Törndahl Tobias, Uppsala Universitet
- ICREA Prof. Group Leader, Valenzuela Sergio, Catalan Institute of Nanoscience and Nanotechnology
- Professor, Van Aelst Stefan, KULeuven, University of Leuven
- Tenure track professor, Van Cleuvenbergen Stijn, KU Leuven
- Professor, Van der Perre Liesbet, KU Leuven
- Professor, Vandeveld Lieven, Ghent University
- Professor, Veglio Francesco, University of L'Aquila
- Professori, Virtanen Sannakaisa, Friedrich-Alexander-Universität Erlangen-Nürnberg
- Professor, Visser Taco, Vrije Universiteit Amsterdam
- Research Director, Vozzi Caterina, Consiglio Nazionale delle Ricerche
- Professor, Vrekoussis Mihalis, University of Bremen, Germany
- Emeritus Professor, Walker Philip, University of Surrey
- Professor, Waller Travis, UNSW Sydney
- Professor, Wass Duncan, Cardiff University
- Professor, Weinzierl Bernadett, University of Vienna, Faculty of Physics
- Senior Scientist, Widl Edmund, AIT Austrian Institute of Technology
- Director of Research, Wiemer Claudia, National Research Council of Italy
- Professor, Winkler Dag, Chalmers University of Technology
- Assoc. Prof., Winterhof Arne, Austrian Academy of Sciences
- Professor, Young Timothy, University of Tennessee
- Professor, Zilges Andreas, University of Köln

A total of 34 reviewers were enlisted for joint panels organised by two research councils.

- Professor, Andersen Mikael Skou, Aarhus University
- Professor, Armstrong Douglas, University of Edinburgh
- Associate Professor, Balaam Madeline, Kungliga Tekniska Högskolan
- Professor, Baptista João, Lancaster University
- Associate Professor, Bertelsen Olav Wedege, Aarhus University
- Full Professor, Bulling Andreas, University of Stuttgart
- Senior Lecturer, Campbell Ben, Durham University
- Professor, Cascante Marta, University of Barcelona
- Director, Cazier Jean-Baptiste, University of Birmingham
- Senior Lecturer, Charles Darryl, Ulster University
- Professor, Chittaro Luca, University of Udine
- Professor, Clemmensen Torkil, Copenhagen Business School
- Professor Emerita, Eckerberg Katarina, Umeå Universitet
- Professor, Eils Roland, Charité Universitätsmedizin Berlin
- Associate Professor, Figueroa Maria, Copenhagen Business School
- Researcher, Geraci Filippo, National Research Council, Italy
- Associate Professor, Gilissen Christian, Radboud University Medical Center
- Professor, Goeschl Timo, Heidelberg University
- Associate Professor, Hall Stephen, University of Leeds
- Professor, Hausner Vera, The Arctic University of Norway
- Professor, Hong Xia, University of Reading

ACADEMY OF FINLAND

- Associate Professor, Huybrechts Liesbeth, Hasselt University
- Associate Professor, Ioannou Andri, Cyprus University of Technology and CYENS Center of Excellence
- Professor, Kasneci Enkelejda, University of Tübingen
- Senior Researcher/Lab Leader, Kiani Narsis, Karolinska Institutet
- Professor, Kronsell Annica, University of Gothenburg
- Professor, Lawson Shaun, Northumbria University
- Professor, Medendorp Pieter, Radboud University Nijmegen
- Professor, Oosterveer Peter, Wageningen University
- Team Leader, Papatheodorou Irene, European Molecular Biology Laboratory
- Professor, Pederson Thomas, University West
- Professor, Savic Dragan, KWR Water Research Institute
- Professor, Van Schaik Paul, Teesside University
- Associate Professor, Vasilakopoulou Polyxeni, University of Agder

54 reviewers did not give their permission to publish their names.
